ABOUT THE INSTITUTION

Sri Sairam Engineering College, Chennai, established in the year 1995 by MJF.Ln.Leo Muthu, Chairman of Sapthagiri Educational Trust, is a non-profitable and a non-minority institution. A well-defined vision, highly committed mission and a dedicated leadership facilitate Sri Sairam Engineering College to be in the best of educational institutions in the country. Since its inception, the institution has grown into a vast conglomerate of magnificent buildings, state-of-the art laboratories, sophisticated internet centres, modern digital library block and a superlative sports complex, each a land mark in itself across 300 acres. The institution is situated in a sprawling campus with architecturally and aesthetically designed buildings, blocks, stadiums, auditoriums, hostels, gymnasium and the sports grounds. The institution is affiliated to Anna University and approved by the All India Council for Technical Education (AICTE), New Delhi.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering joined the fleet of Sri Sai Ram Engineering College during the academic year 1998-99.The Department of Computer Science and Engineering, since its establishment, has been in constant pursuit of excellence. Our endeavor has been to produce the best computing technocrats to serve the growing needs of the country in the field of computing. Here we strive to produce world class professionals who can compete with the industry's best brains. The Department is also having Master of Engineering in Computer Science and Engineering from the academic year 2011-2012. The Department emphasizes in implementing Outcome Based Education (OBE) throughout the tenure of under graduation. The students are moulded in such a way that they face the external world with prompt technical, interpersonal and problem-solving skills. The Department initiatives will definitely prepare Industry ready students with holistic personality in terms of knowledge dissemination and bring out students with an enriched experience.

VISION

To excel in the field of Computer Science and contribute to the research, shaping technical professionals to outshine as entrepreneurs and enable the students to serve as a valuable resource for industry and society.

MISSION

M1 :   To provide good infrastructure and teaching learning ambience.

M2:   To instill in the students to pursue careers in industry, academic, research   through life-long learning and encourage entrepreneurship skills among students.

M3:   To facilitate the development of academia-industry collaboration programs to meet the changing needs of society.

M4:   To provide mentoring to the students in order to excel in their chosen field.

This workshop systematically explore the real-world Red Hat Enterprise Linux skills and Open source Technology skills that everyone should possess. Participants will find practical guidance on most common operational commands, network concepts and Technology usages. It also covers configuring and installing multiple Linux operating systems including industry Preferred Red Hat Enterprise Linux.
