Welcome to Sairam

Educating for Growth – Preparing for Achievement

Sri Sai Ram Engineering College was established on a beautiful campus of 200 acres, 15 km from Meenambakkam, the International Airport, Chennai. The Institution is the dream of its Founder Chairman MJF. Ln. Leo Muthu, realized with the blessings of Shirdi Sai Baba. Started in the year 1995 with three core branches and it has grown to nine branches with a total student capacity of around 5000. Today, Sri Sai Ram Engineering College is a leading institution offering various undergraduate and Post graduate courses in Engineering & Technology. The Institution is approved by All India Council for Technical Education (AICTE) and recognized by the Government of Tamil Nadu. Initially, the institution was affiliated to the Madras University. Presently, it is a constituent of Anna University.

Sri Sai Ram Engineering College has developed into a reputed Engineering Institution with NAAC Accredited with 'A+' Grade and ISO 9001:2015 certifications, and this year, all our eligible Engineering Courses got accredited by the National Board of Accreditation.

The dedication and commitment with which the students and staff members are working together as a team over the past twenty one years have paid rich dividends and made this institution to reach as the most preferred institution amongst the student community. The students of this institution have been consistently securing top ranks in the Anna University and are placed in reputed national and global organizations.

At Sairam, we are taking special care to value based education. In fact, every individual needs to make a useful contribution in his/her chosen career, in building up the society. Our aim is to help the student community to build up a professional career while doing the course by carrying out innovative and socially relevant projects.

A team of dedicated and highly experienced faculty members are contributing by doing their best to provide the highest quality of education to make time here rewarding and enriching. Team Spirit is our priority to create high quality team building environment that includes spacious class-rooms, well-equipped laboratories, state-of-the-art computing facilities, a rich and diverse knowledge resource centre, first class sporting facilities, cultural activities, accommodation, on-campus recruitments and many more.

At Sai Ram, quality education is more than a philosophy, it is the essence of its existence.

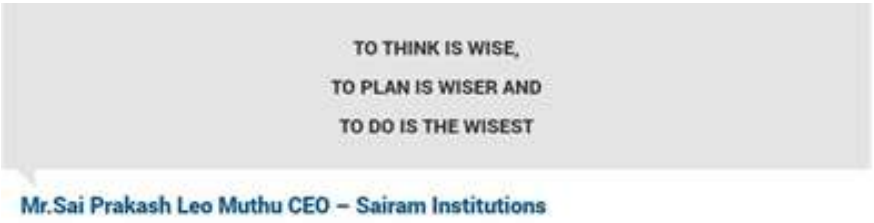
CEO'S MESSAGE



Translating his vision into reality, our respected Founder, Chairman, **MJF. Ln. Leo Muthu,** has come a long way in offering quality education. Presently encompassing more than 20 educational institutions, Sairam Empire is one of those unique groups which have made its way straight to the top through relentless efforts with determination and dedication for quality. Engineering is a vast field that offers infinite specialization. All fields in the modern economy have been invigorated by engineering. Undoubtedly the shape of the modern world has been credited to the advancements in science and technology. A graduation in Engineering opens unlimited opportunities to identify a job, start a business and marvel in research.

I am glad to wish the department of Computer Science and Engineering for all success in hosting the event **SYNSARA 2k21 - A NATIONAL LEVEL TECHFEST**. Congratulations to all the members of the editorial team, faculty and students who have contributed to this event **SYNSARA 2k21.** At Sairam, we always believe that sharing of Knowledge and teamwork attributes to the success of an individual and the Institution. No one individual is as intelligent as his TEAM put together. I hope that this trend will continue and appreciate the achievements made by faculty and students of the CSE department.

Wishing all Success…

PRINCIPAL'S MESSAGE

Education is a noble affair. It is a holy endeavor and should be holistic as well. The utilization of education for spreading the values of culture and modernization came into existence from time immemorial. Highly productive Economies, Distributive Justice, people's participation in decision making bodies, adoption of scientific technology in Industry, Agriculture, spreading values, building relationships, unlimited occupations and professions are accepted as major factors for modernizing the Indian society. These goals have to be achieved, reviewed and look for new benchmarks through liberal Education.

I firstly like to congratulate all the members of the editorial team, faculty and students who have contributed to this event **SYNSARA 2k21 – A NATIONAL LEVEL TECHFEST**. I would like to appreciate the various achievements made by the students and faculty of Computer Science and Engineering. I wholeheartedly wish for the success of this event **SYNSARA 2k21.**
