## VISION OF THE DEPARTMENT

To excel in the field of Computer Science and contribute to the research, shaping Technical professionals to outshine as entrepreneurs and enable the students to serve as a valuable resource for industry and society.

## MISSION OF THE DEPARTMENT

M1: To provide quality education that empowers students to excel in the field of computer science and engineering.

M2: To foster a culture of innovation among students to help them become successful innovators and Researchers.

M3: To provide students with incubation facilities that nurtures their journey to become successful entrepreneurs.

M4: To encourage students to take up SDG-aligned projects and emerge as responsible contributors to society and industry.

## PEOS OF THE PROGRAM

PEO 1: Graduates will have a strong foundation in Mathematics, Science, and Engineering fundamentals to analyze and solve real world problems.

PEO 2: Graduates will have the capability to succeed in diverse roles in their chosen fields.

PEO 3: Graduates will actively pursue lifelong learning through higher education, certifications or continuous professional development.

PEO 4: Graduates will have the ability to apply gained knowledge to uplift the society.

## PROGRAM SPECIFIC OUTCOMES

PSO 1: Graduates will develop advanced networking and system administration skills with a focus on industry-standard tools and technologies.

PSO 2: Graduates will be skilled in designing, developing, and automating business solutions through internships, hackathons, and coding platforms.

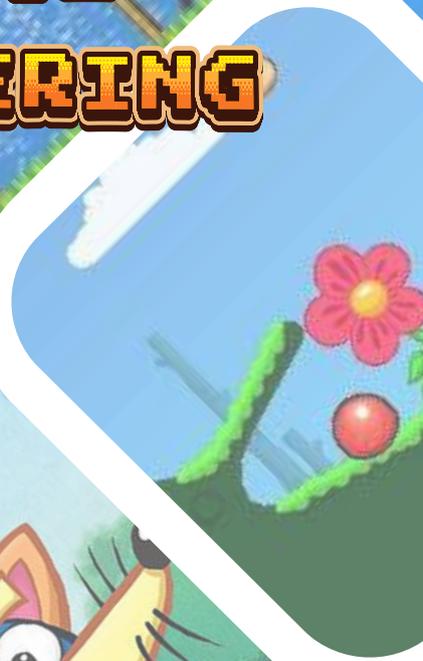

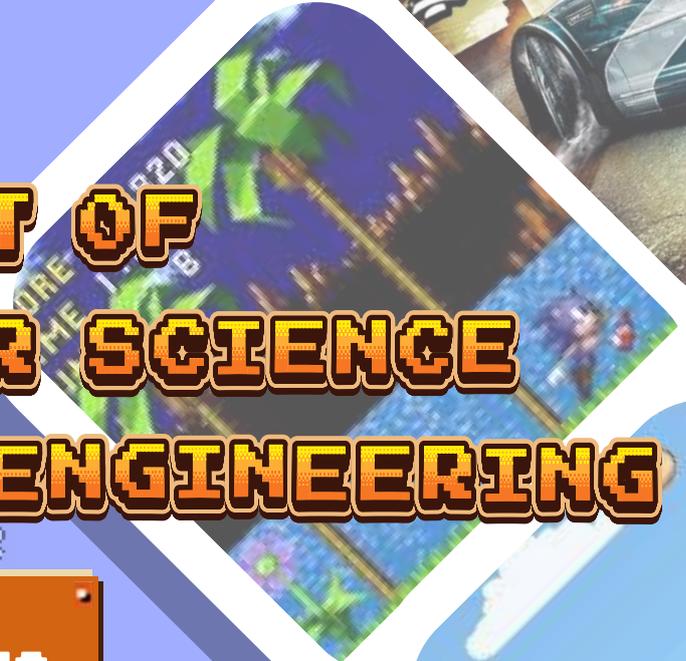

Sri

SAIRAM INSTITUTIONS

## ABOUT

Every student who passed out of this Computer Science and Engineering department has always had a great kick start to his or her career and didn't look back, even for a second. This institution has a proud history of over 25 years, and one of the brightest stones in that crown is the strength of the IT professionals we are providing to this country.

## VISION AND MISSION

- To have a vision is great.
- To know the path to a vision is great.
- To fulfill the vision is history. As we are talking about history, here is a department that has an impeccable placement record and unbeaten academic excellence.

All this is possible only through sure-shot planning and execution by our Head Of Department, faculty members and the student pioneers. I am indeed privileged to be at this stage and I wish to see this department reach greater heights and bring moral glory for our institution. I would like to extend my heartfelt congratulations and sincere commendations to the members and representatives of the Computer Science and Engineering department.

SRI SAIRAM ENGINEERING COLLEGE

## ABOUT

Education is a noble affair. It is a holy endeavor and should be holistic as well. The utilisation of education for spreading the values of culture and modernization came into existence from time immemorial. Highly productive economies, distributive justice, people's participation in decision making bodies, adoption of scientific technology in industry, agriculture, spreading values, building relationships, unlimited occupations and professions are accepted as major factors for modernizing the Indian society. These goals have to be achieved, reviewed and look for new benchmarks through liberal education.

Real Personality, which is based on character, is remembered by the world through eternity. The number of such people, though small, can shape the destiny of mankind. Their names remain imprinted in the hearts of millions of people forever. Being an ardent social thinker, it is no wonder that the revered Chairman ventured into the act of starting educational institutions with the sole motto of building better society.

Sairam has a glittering journey due to aspiration, commitment, morale and quest for upgradation. Simply, Sairam is not a team but a family, works for creating socially conscious and technologically sound professionals who will serve the human society with willingness and vigor.

# DR. B. LATHA

HEAD OF DEPARTMENT

SRI SAIRAM ENGINEERING COLLEGE

## ABOUT

I congratulate the faculty and students of the Computer Science and Engineering department for organising Synsara 2025, a National level symposium. We seek to be renowned for our distinctive curriculum emphasising work-integrated learning, learning-based work, problem solving, and cross-cultural skills. Our experienced faculty are the strong pillars of the department, whose focus is to empower a diverse community of students to nurture their capabilities, transform their lives, and find success through high quality teaching and learning. I am indeed proud to be a part of this esteemed organisation and I feel immense pleasure in being the head of the department for computer science and engineering. I hereby congratulate the editorial board for their concerted efforts in bringing out this newsletter .

# HACKATHON WINNERS

## INNOVATION

### *The Hackathon That Changed Everything*

When the SIH 2024 results were first announced, disappointment hit us hard—we hadn't been selected. It felt like the end of the journey before it even began. But destiny had other plans. On the evening of December 4th, an unexpected email arrived: we had been chosen through a wildcard entry, and the finals were just six days away.

Excitement quickly turned into pressure. With no prototype and only a rough grasp of the problem statement, we were starting from scratch while other teams had weeks of preparation behind them. The first few days were filled with failures and doubts as our early attempts collapsed. Watching others present polished solutions made us question if we even belonged there, but we refused to give in.

In the end, our persistence paid off. We managed to build a working prototype just in time and gave our final pitch with everything we had. To our amazement, the results declared a tie for the win. That moment was more than just a victory—it was proof that uncertainty can become opportunity and that perseverance can turn the impossible into reality.

## *The Hackathon That Changed Everything*

Mugilan A, a dedicated student from the 2026 batch, emerged victorious by securing 1st place in the highly competitive SIH Grand Finale Hardware Edition 2024. As a key member of team RisingPhoenix076, his innovative approach and technical skills were crucial to the team's success. His contribution to the project showcased his exceptional problem-solving abilities, teamwork, and dedication. This achievement highlights his potential in the field of technology and positions him as a future leader in the industry

## *The Hackathon That Changed Everything*

Saptha Rishi K, a student from the 2024 batch, secured 1st place in the prestigious SIH Grand Finale Hardware Edition 2024 as a key member of team ZHAGARAM. His outstanding technical skills, innovative thinking, and problem-solving abilities were instrumental in the team's success. This remarkable achievement not only demonstrates his expertise in hardware but also highlights his commitment to excellence and teamwork. Saptha's contribution to this project showcases his potential to make a significant impact in the tech industry in the future.

### *The Hackathon That Changed Everything*

At the IEEE YESIST12 2025 Grand Finale, held on August 23rd and 24th at Universiti Kebangsaan Malaysia, our students proudly carried the name of Sri Sairam Engineering College onto an international platform. Lithika Sri G (IV Year CSE A), along with her teammate Asmitha S. J, showcased their project "Eco-Plastirid Rover" in the Special Track finals, standing out among 1000+ global submissions. Only 36 projects worldwide, from countries such as India, Egypt, Bangladesh, Kenya, and Indonesia, were shortlisted, making this achievement truly significant.

The Eco-Plastirid Rover is an innovative autonomous system designed to tackle the pressing issue of plastic waste management. Powered by machine learning, IoT, robotics, and AI, the rover can detect, collect, and monitor plastic waste using a smart bin mechanism. This project not only demonstrates technological ingenuity but also reflects a strong commitment to sustainability and societal impact, aligning with the vision of IEEE YESIST12 to promote youth-driven innovation for real-world challenges.

## INNOVATION

### *The Hackathon That Changed Everything*

The InnovateX Hackathon 2025, conducted as part of the IEEE SPAx event at Rajalakshmi Institute of Technology, brought together over 150 teams to innovate solutions aligned with the United Nations Sustainable Development Goals (SDGs). Each team was assigned random SDGs, and we received SDG 11: Sustainable Cities and Communities. Within the given time, our team members Rithika S, Kalaivani S, and Aishwarya V identified a key urban challenge, developed a practical solution, and presented it to the judges. Among the large pool of participants, we secured the First Prize under SDG 11, making the hackathon a highly rewarding and memorable experience.

### आईआईएमटी में हैकथॉन का समापन, विजेता टीम पुरस्कृत

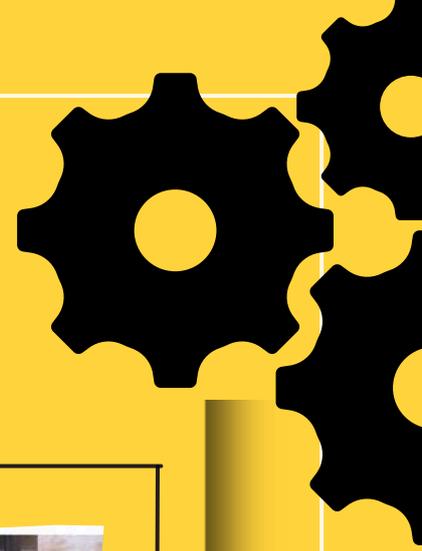

ग्रेटर नोएडा (वि.)। नॉलेज पार्क स्थित आईआईएमटी कॉलेज ऑफ इंजीनियरिंग में दो दिन चले माईड इंस्टालर्स हैकथॉन का समापन हो गया। ऑनलाइन के माध्यम से इसमें 487 टीम के 1256 प्रतिभागियों ने हिस्सा लिया। अंतिम राउंड में 35 टीम के 117 छात्रों ने कॉलेज में

The two-day Smart India International Hackathon organized at IIMT College of Engineering, Greater Noida, concluded successfully with enthusiastic participation. Out of 1,256 teams (487 online), only 117 teams from 35 cities reached the finals. The event witnessed innovative solutions from across the country, evaluated by a distinguished panel. The first prize was bagged by Sri Sairam Engineering College, Chennai, while the second prize went to Maharashtra Institute of Technology, Pune, and the third prize to a joint team from KIET Group of Institutions, Ghaziabad, and Sonipat.

# ACHIEVEMENTS

## PRIDE OF SAIRAM Q

Our college achieved remarkable success at the prestigious Chief Minister's Trophy (CM Trophy) organized by the Sports Development Authority of Tamil Nadu (SDAT). Competing against top teams across the state, our students displayed exceptional talent and teamwork, securing First Place in Badminton, Second Place in Volleyball and Basketball, and delivering a strong performance in Kabaddi. Their dedication and spirit brought great pride to our institution, earning a total cash prize of ₹1,19,000, marking a proud moment of sporting excellence and recognition for our college.

.

# ACHIEVEMENTS

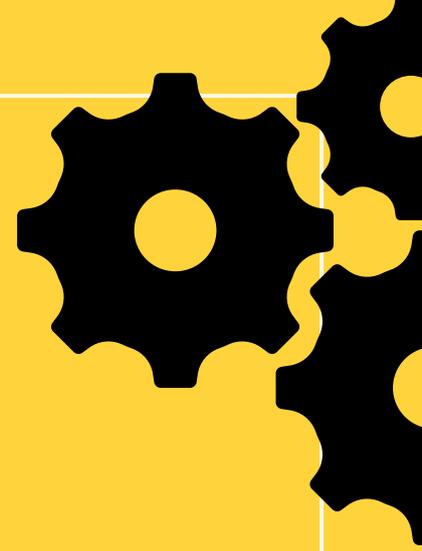

## PRIDE OF SAIRAM 🔍

Our department S. Abhiroopa, a second-year CSE student, proudly represented Tamil Nadu at the National Youth Festival 2025, focusing on the theme “Viksit Bharat.” Among 45 state participants, she was one of only six selected to compete at the national level. During the event, she presented her team’s ideas to a distinguished jury, visited the PM Museum, dined with Finance Minister Nirmala Sitharaman, and attended ceremonies with prominent leaders. On the final day, her team presented their collaborative ideas to the Prime Minister. This achievement brings great pride to our department.

# ACHIEVEMENTS

## PRIDE OF SAIRAM

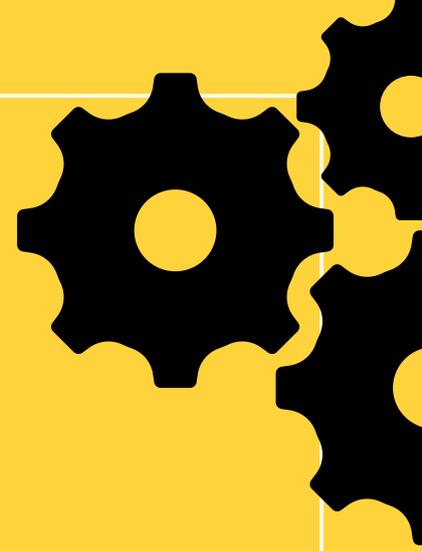

Kaviya S has achieved the distinction of being both the Department Topper and the Overall College Topper, securing the highest CGPA in academics.

Her academic journey reflects an exceptional balance of intellect, discipline, and commitment. Kaviya's pursuit of excellence continues to set a benchmark for her peers, inspiring others to strive for both academic and personal growth.

A true embodiment of hard work and brilliance, she proves that success is not just about achieving goals, it's about setting new standards of excellence.

# ACHIEVEMENTS

## Project competition

Secured Certificate of Excellence and a cash prize of ₹2000 in the National Level Project Competition 2K25 at Velammal Institute of Technology

## Mini Hackathon

Won First Prize in the Mini Hackathon at the National Level Technical Symposium 'IEEE BREADTHS 2024' organized by Rajalakshmi Engineering College, Chennai.

The National Service Scheme (NSS) team of Sairam Engineering College was honored with the prestigious Blood Donation Award on October 1, 2024. This recognition highlights the unwavering dedication of the students and faculty in promoting the noble cause of blood donation through consistent voluntary efforts. Their commitment not only reflects the spirit of community service but also inspires others to contribute toward saving lives.

## **MAHARASHTRA TREK II CAMP**

The Shivaji Trail Trek Camp an adventurous and enriching experience that combines physical endurance with historical learning. This camp was conducted in Kolhapur, Maharashtra from 09.11.2024 to 16.11.2024.

This camp typically takes cadets on a trek through terrain associated with the great Maratha warrior, Chhatrapati Shivaji Maharaj, allowing them to explore significant sites related to his legacy. During the trek, cadets not only build stamina and teamwork but also gain valuable insights into Shivaji's strategies, leadership, and contributions to Indian history. The camp fosters a sense of patriotism, discipline, and respect for history among the participants

## OVER 25+ ACHIEVEMENTS BY CADET OF SAIRAM COLLEGE

**RECORD NUMBER OF  
ACHIEVEMENTS BY ANY  
COLLEGE**

**C-CERTIFICATE  
EXAMINATION OF NCC**

Sri Sairam Engineering College's Air Wing cadets have successfully completed their C Certificate Examination, marking a significant milestone in their NCC journey. The practical examination was conducted at Air Force Station, Tambaram on 15 February 2025, where cadets showcased their proficiency in drill, aero-modelling and aircraft recognition. The theory examination followed on 16 February 2025 at Anna University Campus, Chennai, assessing their knowledge of air navigation, meteorology, and aviation regulations. This achievement highlights their dedication, discipline, and technical expertise, preparing them for future roles in the defence and aviation sectors. Their perseverance and commitment serve as an inspiration for future cadets aspiring to reach greater heights.

**76<sup>th</sup> Republic Day, at  
Sri Sairam  
Engineering College**

Our department students Vashini K, Akshaya I, Mridula G, Hemapriyadharshini B, and Surya Narayanan R from CSE final year took part in celebrating India's 76th Republic Day at Sri Sai Ram Engineering College. Organized by the NCC, the event featured cadets marching in crisp uniforms with discipline and pride. The Third-year students presented a flawless sequence, adding grandeur to the occasion. The parade stood out as a spectacle of patriotism and precision, leaving the audience inspired.

# ACHIEVEMENTS

## STORY

Sri Sairam Engineering College and the De La Salle University College of Computer Studies (DLSU CCS) sent students to participate in the Universiti Teknologi PETRONAS (UTP) Familiarization Programme 2024, held from July 8-12, 2024. From Sri Sairam Engineering College, Sujith from the computer science and engineering department (2025 batch) attended the programme, while an announcement confirmed that two students from the IT department also took part from July 8 to July 13, 2024. Meanwhile, DLSU CCS promoted the UTP Familiarization Program 2024 as a one-week mobility initiative, which included educational trips, outdoor excursions, and visits to UTP's research centers such as CerDaS, HPC3, and Positive Computing. Additionally, DLSU CCS had earlier shared a registration link for the programme in an April 2024 post.

# ACHIEVEMENTS

Our department proudly celebrates the remarkable achievement of Deepak Rishi from the 2024 batch, who secured 2nd place in the ISRO Space Challenge. Deepak, seen second from the left in the picture, was part of a highly skilled team that represented our institution in the IRoC-U 2025 Rover Challenge organized by ISRO's U R Rao Satellite Centre (URSC), Bengaluru. This prestigious national-level competition brought together college teams from across India to design and develop innovative rovers capable of performing complex tasks related to planetary exploration. The event tested students on multiple fronts including rover design, navigation, obstacle clearance, payload integration, and mission execution, demanding both technical depth and teamwork.

We are equally proud to share that Gunoutham from the 2026 batch was also a key member of this winning team, making significant contributions to the project. The ISRO Rover Challenge is recognized as a platform that encourages future engineers to work on real-world challenges of space exploration and robotics. Competing against some of the top engineering colleges in the country, our students showcased exceptional problem-solving skills and technical creativity, ultimately securing 2nd place among several highly competitive entries. This achievement not only highlights the excellence of our students but also serves as an inspiration for the entire department to pursue innovation, research, and hands-on learning in emerging fields of space technology.

# UNIVERSITY ROVER CHALLENGE

In a remarkable achievement, our college's rover team has been selected as a Finalist in the prestigious University Rover Challenge (URC) 2025, hosted by The Mars Society at the Mars Desert Research Station (MDRS) in Hanksville, Utah, USA. URC is the world's premier robotics competition for college students, where teams design and build the next generation of Mars rovers to assist astronauts on the Red Planet. Competing alongside IIT Bombay, we are proud to represent India as one of only two teams from the country to make it to the global finals. This milestone highlights the innovation, technical excellence, and determination of our students as they prepare to showcase their rover's capabilities in challenges such as science exploration, autonomous navigation, equipment servicing, and extreme terrain traversal on the Martian analog landscape.

# THE HERO JOURNEY

## Savitha - A Queen on and off the Chessboard

### Story

Every move on the chessboard tells a story, and for Savitha, it's a story of strategy, perseverance, and passion. As the Executive Director of Balu Chess Academy, she has not only mastered the game but also created a legacy of nurturing young minds through chess. Under her dynamic leadership, the academy has hosted seven state-level tournaments, giving countless players a platform to dream big and play bold.

A four-time consecutive gold medalist in the Anna University Chess Zonals, Savitha's journey is a testament to focus and determination. Her victories don't stop there—she is also the Inter-Department Champion and has proudly represented her college in numerous competitions, securing two major titles. With over 70 tournaments to her credit—spanning state, district, and even international levels—Savitha's board is filled with milestones.

# THE SKY-BOUND CADET

## Story of CWO Varshini K

### Story

From the corridors of Sri Sai Ram Engineering College to the airfields of the Indian Air Force Station, Cadet Warrant Officer (CWO) Varshini K has lived a journey marked by discipline, dedication, and patriotism. A Computer Science Engineering student by academics, and an Air Wing NCC cadet by passion, Varshini embodies the spirit of leadership and service.

Her NCC journey began with the Puneet Sankalp, where she pledged to protect the environment and fight against plastic pollution – a humble start to what would become an extraordinary path of growth and achievement. Soon after, she represented her unit in multiple national initiatives like the National Youth Day, where she explored AR and VR technology in honor of Swami Vivekananda's vision for youth innovation.

# THE SKY-BOUND CADET

## Story of CWO Varshini K

Through a series of boot camps, blood donation drives, awareness programs, and Republic Day parades, Varshini learned not only the discipline of a cadet but also the responsibility of a citizen. From the Yoga Day Pledge to organizing seminars on Millets and Nutrition, her commitment extended beyond the uniform — into building a healthier, more conscious society.

The defining moments of her cadet life came through camps that tested endurance and leadership — the CATC cum VSC selection, Annual Training Camps, and the prestigious Inter Group Competitions (IGC RDC). Each camp honed her resilience, be it through early morning drills, tent pitching under pressure, or theory tests on aerodynamics and air navigation.

From learning aeromodelling and aircraft recognition to commanding drills and representing her squadron at national levels, Varshini's story is one of growth through grit. Her journey reflects courage, leadership, and a determination to soar — not just in the skies, but in life itself.

# FROM STATE TO NATIONALS

## A Story of Determination and Discipline

With a heart full of determination and a passion that ripples through every race, she has emerged as one of the brightest stars in the world of aquatic sports. Her journey is nothing short of inspiring — a story of perseverance, strength, and excellence. Her remarkable performances in the All India Aquatic Championship 2024 and the South-West Aquatic Championship 2024 earned her bronze medals, solidifying her position among the nation's elite swimmers. But her achievements don't stop there. She was crowned the Individual Overall Champion at the Senior State Aquatic Meet 2022, a moment that marked her dominance in the pool.

Over the years, she has secured six gold medals across both senior and junior state championships and proudly represented the state seven times at the Senior and Junior National Championships. A proud milestone in her sporting career was receiving a cash incentive of ₹1.5 lakh from the Deputy Chief Minister in recognition of her dedication, discipline, and consistent excellence — a true testament to her years of hard work and unwavering commitment to the sport.

Beyond the pool, she continues to shine in athletics, winning the Overall Women's Individual Championship on Sports Day. Her stellar performances include gold medals in the 100m, 200m, long jump, and relay events, along with a second place in the marathon, proving her versatility and indomitable spirit. Her story reflects not just medals and victories but the essence of a true champion — the perfect blend of sportsmanship, style, and determination, destined to inspire many more in the years to come.

## 90 Minutes, One World

### SURYA PRAGADESH

A special mention goes to our winger, whose relentless energy, pace, and precision played a vital role throughout the tournaments. His determination on and off the field inspired the entire team, constantly driving the attack forward and creating crucial opportunities in every match.

His spirited performance, unmatched work rate, and never-give-up attitude truly embodied the spirit of our football team. Congratulations on being a key force behind our success and a true example of dedication and passion

### AROKE JEEVITH

A special appreciation goes to our center-back, whose commanding presence and defensive brilliance anchored the team's backline throughout the season. With excellent clearances, strong tackles, and intelligent positioning, he consistently broke down opposition attacks and protected the goal with confidence. His impressive speed, stamina, and endurance allowed him to maintain high intensity in every match – covering ground swiftly, recovering possession, and leading transitions from defense to attack. His tireless effort and never-give-up attitude make him a true leader – the unshakable wall at the back!

### DHINESH KRISHNA S B

A huge shoutout to our center-back, whose rock-solid defending formed the backbone of our team's success! With exceptional clearances, precise blocking, and fearless tackling, he consistently kept opponents at bay and maintained control under pressure. His composure, game awareness, and leadership turned potential threats into counterattacks and ensured clean sheets in every match. His consistency, courage, and tireless effort define a dependable defender.

### NANDA KUMAR J

A special mention goes to our wing-back, whose tireless runs up and down the flank were vital for both defense and attack. With exceptional speed, stamina, and endurance, he consistently tracked back to stop opposition threats while pushing forward to support offensive plays. His precise tackles, timely interceptions, and solid clearances made him a dependable defensive presence, while delivering accurate crosses and creating scoring opportunities added an attacking edge. A true all-rounder – combining defensive solidity, attacking flair, and relentless energy to make a real impact!

# VOLLEYBALL SMASHERS

# SAIRAM VOLLEY

## TEAM WITH ONE HEART

SINCE 2022

**FAITH  
BELIEF  
HARDWORK**

We are proud to announce that our Women's Volleyball Team has achieved an outstanding milestone by securing the Runners-Up (2nd Place) position at the Zonal Level Championship for three consecutive years — 2022-23, 2023-24, and 2024-25!

Their remarkable consistency, teamwork, and determination exemplify true sporting spirit and commitment. Congratulations to our talented players and dedicated coaches for their relentless hard work and for bringing continuous pride to our institution!

## 45 Minutes, One World

### DHARSHINI

A special mention goes to our setter, whose exceptional vision, quick decision-making, and precise ball placement were instrumental throughout the tournaments. Her leadership on the court and ability to read the game inspired the entire team, constantly orchestrating our attacks and creating vital scoring opportunities in every match. Her unwavering focus, remarkable work ethic, and relentless determination truly embodied the spirit of our volleyball team. Congratulations on being a key force behind our success and a true example of dedication and passion.

### SAVITHA

A special mention goes to our libero, whose incredible defensive skills, quick reflexes, and unwavering focus were crucial throughout the tournaments. Her determination on the court and ability to keep the team's spirit high inspired everyone, consistently making key saves and keeping the rallies alive in every match. Her tireless effort, sharp instincts, and never-give-up attitude truly embodied the spirit of our volleyball team. Congratulations on being a key force behind our success and a true example of dedication and passion.

### DHANUSHEYA

A special mention goes to our spiker, whose powerful attacks, sharp timing, and fearless presence were vital throughout the tournaments. Her energy on the court and ability to break through tough defenses inspired the entire team, consistently delivering crucial points in every match. Her spirited performance, relentless work rate, and never-give-up attitude truly embodied the spirit of our volleyball team. Congratulations on being a key force behind our success and a true example of dedication and passion.

### SREENIDHI

A special mention goes to our defender, whose steadfast resilience, tactical awareness, and relentless commitment were vital throughout the tournaments. Her determination on the field and ability to thwart opposing attacks inspired the entire team, consistently providing a strong backbone in every match. Her unwavering focus, disciplined work rate, and never-give-up attitude truly embodied the spirit of our football team. Congratulations on being a key force behind our success and a true example of dedication and passion.

# HOCKEY CHAMPION

We are incredibly proud to spotlight Saravana G, one of the standout players in our Men's Hockey Team. Playing in the crucial position of Striker, Saravana has been an instrumental force in securing our team's consecutive Zonal Championship titles for the years 2022-23, 2023-24, and 2024-25.

With his sharp instincts, exceptional ball control, and clinical finishing, Saravana has consistently proven to be a game-changer on the field. His ability to create scoring opportunities and convert them into goals has been pivotal in our team's success. Not only does he possess remarkable technical skills, but his leadership and determination in the attacking third have inspired his teammates to give their best.

Saravana's relentless pursuit of excellence and his passion for the game exemplify the spirit of our team. We are grateful for his contributions, and we look forward to seeing him continue to shine and lead by example in future competitions.

Congratulations, Saravana, for your remarkable achievements, and thank you for your continued dedication to the team

# SERVING SMILES, BUILDING DREAMS

## OUR VISION

Our vision is to create a united platform where service and knowledge go hand in hand. We aim to uplift lives through consistent social contributions and inclusive education, ensuring that no one is left behind in the journey toward a better tomorrow.

## OUR MISSION

We dedicate ourselves to empowering communities by offering meaningful social service initiatives and accessible learning opportunities. Through continuous engagement in volunteer-driven efforts and collaborative knowledge-sharing, we strive to foster a spirit of service, inspire positive change, spread joy, and contribute to the creation of a more inclusive and sustainable future for all.

**Gokul M**

Founder - Otrumai Foundation

We take immense pride in Gokul, a student of CSE, for founding the Otrumai Foundation, a non-profit organization dedicated to transforming lives through acts of kindness and humanity. Believing that "charity is the work of humanity," Gokul's efforts stand as an inspiring example of compassion, leadership, and social responsibility. The Department of CSE congratulates him for his remarkable service and for spreading the spirit of humanity beyond the classroom. Kudos to Gokul and the Otrumai Foundation for making a real difference!

## SAIRAM family

Sairam Group of Institutions was started in the year 1989 to espouse a noble cause to provide quality education.

In the span of less than 30 years, Sairam Group of Institutions has grown to become one of the most respected and revered group of educational institutions in South India. Today, Sairam Group of Institutions has become a name synonymous with quality education and has more than 18 Institutions under its umbrella.

The untiring efforts taken by the faculty members for excellence in the performance of students, is the key factor in achieving this reputation.

Sairam is not just about imparting education, but value-based quality education - a unique blend of academics and moral values.

With sprawling campuses spread over several acres of land at different locations, Sairam Group houses several institutions offering education in varied fields from Primary Schooling to Post Graduation.

*We build a Better nation  
through Quality education.*
